Profiles in Excellence 2008 Women In Business Nominees

Suzanne Frindt, Partner & Co-Founder

2130 Partners, Capistrano Beach

Frindt's leadership development firm has led her to speak on Vision-Focused Leadership and Productive Interactions at conferences around the world. She also speaks on women in business issues and was chosen by the U.S. State Department to address the 2006 Middle East and North Africa Businesswomen's Summit in Abu Dhabi. She currently is working on a new workshop series about communications.

Frindt is a group chair for Vistage International, an organization dedicated to increasing the effectiveness and enhancing the lives of chief executives. It's the largest CEO membership organization

based on revenue. She also contributes expertise to groups like the Sufficiency Foundation, Thoro Packaging and Managease. She is an investor in the Women's Philanthropy Fund and a member of the Alexis de Tocqueville Society. She and her husband also are activists with The Hunger Project.
